

# ALTS1392

## DPDT Momentary Solder Tail Pushbutton Switch

---

### SPECIFICATIONS S 1392

Contact rating: 0.5A @ 250V AC or 28V DC resistive load

Electrical life: 50,000 cycles at full load

Contact resistance: 10m $\Omega$  max. initial at 24V DC @ 100mA

Insulation resistance: 1,000 M $\Omega$  min.

Dielectric strength: 1000V RMS at sea level

Operating temperature: -30°C to 85°C

All Threaded Push Buttons supplied with 1 x star washer, 1 x flat locking washer, 2 x nuts and 9.5mm $\varnothing$  black cap.

### Dimensions:
