Hands-Free Color Video Multi-tenant Building System with Zoom & PanTilt

Entrance station
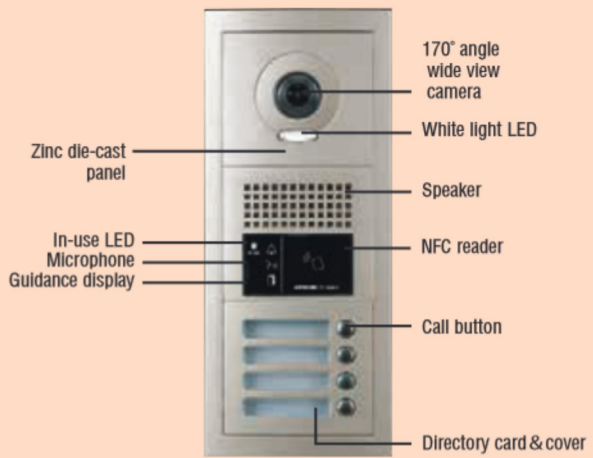

All-in-one type

- 170° angle wide view camera
- White light LED
- Display
- Speaker
- Access control / tenant number dialing keypad
- Microphone
- Stainless steel panel
- In-use LED
- NFC reader
- Directory scroll / Cancel / Call buttons
- Motion sensor

GT-DMB-N
Available 3rd Quarter 2017
W/NFC reader
(Back box not included. Use GF-3B.)
IP54 / IK07

GT-DMA
Available 1st Quarter 2017
W/O NFC reader
IP54 / IK07

Module type

- 170° angle wide view camera
- White light LED
- Zinc die-cast panel
- Speaker
- In-use LED
- Microphone
- Guidance display
- NFC reader
- Call button
- Directory card & cover

Camera Module

GT-VP
Camera panel

GT-VB
Camera module for GT-DB(-VN)
Available 3rd Quarter 2017

GT-VAA
Camera module for GT-DA(-L)
Available 1st Quarter 2017

Audio Module

GT-DBP
Audio panel for GT-DB(-VN)
Available 3rd Quarter 2017

GT-DB
Audio module W/O NFC reader
Available 3rd Quarter 2017

GT-DB-VN
Audio module W/NFC reader
Available 3rd Quarter 2017

GT-DP
Audio panel for GT-DA

GT-DA
Audio module

GT-DP-L
Audio panel for GT-DA-L

GT-DA-L
Audio module W/guide display

Specifications (GT-DMB-N, GT-DMA)

Power source	24V DC, supplied by PS-2420
Video monitor	3.5-inch TFT color LCD
Camera	1/4-inch color CMOS
Communication	Open voice hands-free communication
Mounting	Flush wall-mount
Material	Stainless steel
IP rating	IP54
IK rating	IK07

* GT-DMA cannot be used in the tenant sections and common sections of a multi building systems.

Specifications (GT-VB, GT-VAA, GT-DB, GT-DB-VN, GT-DA, GT-DA-L)

Camera	GT-VB, GT-VAA : 1/4-inch color CMOS
Communication	GT-DB, GT-DB-VN, GT-DA, GT-DA-L : Open voice hands-free communication
Wiring	Two single-pair cable common
Type of cable	2-conductor cable solid copper & non-braided, polyethylene insulation, 0.65mm dia.~1.0mm dia.
Mounting	Box and front frame GF-2B, 3B and GT-4B, and GF-2F, 3F and GT-4F
Material	GT-VB, GT-VAA: Self-extinguishing PC + ABS resin GT-DB, GT-DB-VN: Self-extinguishing ABS resin GT-DA, GT-DA-L: Fire-retardant plastic

* GT-DB and GT-DB-VN cannot be used in the common sections of a multi building systems.
* GT-DA and GT-DA-L cannot be used in the tenant sections and common sections of a multi building systems.
