

Assure Lock® Keyed

Tired of fumbling around for your keys? Imagine a lock that automatically unlocks as you approach. With the Yale Assure Lock Keyed, seamless entry is your key.

Adding the Yale Connect Plus Hub 2* to your Assure Lock® Keyed allows you to access your lock remotely. Lock and unlock, change PIN codes and lock settings remotely. The Connect Plus Hub 2* allows you to work with Amazon Alexa, Hey Google and more.

The Yale Assure Lock digital deadbolt can be upgraded with a Yale module (Z-Wave Plus** and ZigBee**) to seamlessly integrate into most home automation and alarm systems.

*Yale Connect Plus Hub 2 sold separately

**Modules are sold separately
