

# PRODUCT INFORMATION

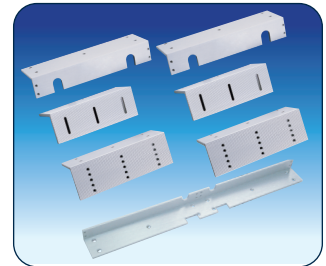

## SPECIAL DOOR FIXING BRACKETS

This range of unique brackets are designed to facilitate the fixing of magnetic locks and their armature plates on special door assemblies such as narrow headers, in-swing, deep door frame heads, glass doors and the like where, standard fixing arrangements are not possible.

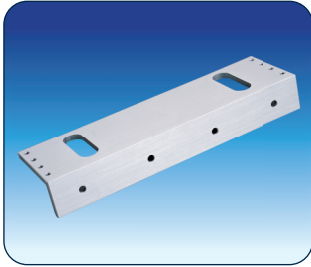

### Adjustable "L" and "Z" brackets for inward swing doors

| PART No.      | BRACKET TO SUIT      |
|---------------|----------------------|
| AMZB1-LP      | FEM5700 (old FEM11)  |
| AMZB1D-LP     | FEM5700D (old FEM12) |
| AMZB1-LP DSS  | FEM5700M             |
| AMZB1D-LP DSS | FEM5700DM            |
| AMZB4-LP      | FEM3500              |
| AMZB4D-LP     | FEM3500D             |
| AMZB4-LP      | FEM3500M             |
| AMZB4D-LP     | FEM3500DM            |

### Adjustable "L" bracket for narrow header doors

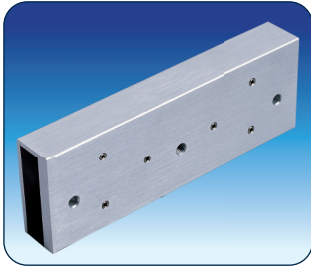

| PART No.  | BRACKET TO SUIT      |
|-----------|----------------------|
| AMLB1     | FEM5700 (old FEM11)  |
| 2 x AMLB1 | FEM5700D (old FEM12) |
| AMLB1     | FEM5700M             |
| 2 x AMLB1 | FEM5700DM            |
| AMLB4     | FEM3500/FEM3500M     |
| 2 x AMLB4 | FEM3500D/FEM3500DM   |

### Stick on armature plate holder for glass doors (recommended 3MVHB tape) not supplied

| PART No.      | BRACKET TO SUIT      |
|---------------|----------------------|
| AMAB1         | FEM5700 (old FEM11)  |
| 2 x AMAB1     | FEM5700D (old FEM12) |
| AMAB1 DSS     | FEM5700M             |
| 2 x AMAB1 DSS | FEM5700DM            |
| AMAB4         | FEM3500              |
| 2 x AMAB4     | FEM3500D             |
| AMAB4         | FEM3500M             |
| 2 x AMAB4     | FEM3500DM            |

### Inverted "U" channel housing to fix armature plate to head of 12mm glass doors

| PART No.         | BRACKET TO SUIT      |
|------------------|----------------------|
| AMGB1-12         | FEM5700 (old FEM11)  |
| 2 x AMGB1-12     | FEM5700D (old FEM12) |
| AMGB1-12 DSS     | FEM5700M             |
| 2 x AMGB1-12 DSS | FEM5700DM            |
| AMGB4-12         | FEM3500              |
| 2 x AMGB4-12     | FEM3500D             |
| AMGB4-12         | FEM3500M             |
| 2 x AMGB4-12     | FEM3500DM            |
