

Quick Installation Guide

5-Port Gigabit PD Switch With 4-Port PoE G110SPD

Package contents

- Switch x 1
• Quick installation guide x 1
This guide instructs how to connect the device. For more details, please visit www.ip-com.com.cn

Device connection

After connection, please check whether the switch is connected properly according to the following table:

Table with 2 columns: LED indicator and Description. Rows include Power, PoE, and Link/Act indicators.

- The switch supports auto-MDNEX, so both a straight cable and a crossover cable can be used to connect the switch to Ethernet devices.
• It is recommended to use the switch to supply power to low power devices only.

Specifications English

Table with 2 columns: Model and Specifications. Rows include Switching mode, MAC address table, Dimensions, PoE power, PoE ports, PoE input, Port lightning protection, Operating environment, Storage environment, Transmission media, and Data transmission rate.

Spezifikationen Deutsch

Table with 2 columns: Modell and Spezifikationen. Rows include Schaltermodus, MAC-Adresse, Abmessungen, PoE-Leistung, PoE-Anschlüsse, PoE-Eingang, Blitzschutz, Betriebsumgebung, Lagerumgebung, Übertragungsmedien, and Datentransmissionsrate.

Especificaciones Español

Table with 2 columns: Modelo and Especificaciones. Rows include Puerto RJ45, Ancho de banda, Tabla de direcciones MAC, Dimensiones, Estado de PoE, Protección contra rayos, Entorno de funcionamiento, Entorno de almacenamiento, Medio de transmisión, Velocidad de transmisión de datos, and Especificaciones de red.

Spécifications Français

Table with 2 columns: Modèle and Spécifications. Rows include Port RJ45, Largeur de bande, Tableau de directions MAC, Dimensions, Norme PoE, Protection contre la foudre, Environnement opérationnel, Environnement de stockage, Support de transmission, Vitesse de transmission des données, Normes réseaux, and Standard de sécurité.

Specifiche Italiano

Table with 2 columns: Modello and Specifiche. Rows include Porta RJ45, Larghezza di banda, Tabella degli indirizzi MAC, Dimensioni, Norme PoE, Protezione contro fulmine, Ambiente operativo, Ambiente di immagazzinaggio, Mezzo di trasmissione, Velocità di trasmissione dei dati, and Standard di sicurezza.

Specifikáció Magyar

Table with 2 columns: Modell and Szempontok. Rows include Hálózati csatlakozás, Átviteli sebesség, Méret, PoE szabvány, PoE bemenet, Védőszint, Környezeti követelmények, Tárolási körülmények, Adatátviteli sebesség, and Hálózati szabványok.

Характеристики Русский

Table with 2 columns: Модель and Характеристики. Rows include Порт RJ45, Пропускная способность, Режим портов-канал, Таблица MAC-адресов, Размеры, Защита от молнии, Условия эксплуатации, Условия хранения, Скорость передачи данных, Соответствие стандартам, and Стандарты связи.

Especificações Português

Table with 2 columns: Modelo and Especificações. Rows include Porta RJ45, Largura de banda, Modo de conexão, Dimensiones, Estado de PoE, Proteção contra raios, Ambiente operacional, Ambiente de armazenamento, Meio de transmissão, Taxa de transmissão de dados, and Perfões de rede.

Maat specificaties Poolski

Table with 2 columns: Model and Specyfikacje. Rows include Port RJ45, Szerokość pasma, Tryb połączenia, Wymiary, Norma PoE, Ochrona przed piorunami, Środowisko pracy, Środowisko przechowywania, Środki transmisji, Szybkość transmisji danych, and Standardy sieciowe.

Спецификации Български

Table with 2 columns: Модел and Спецификации. Rows include Порт RJ45, Пропуснит капацитет, Режим на свързване, Размери, ПоЕ стандарт, Защита от молнии, Работна среда, Среда за съхранение, Скорост на предаване на данни, and Мрежови стандарти.

Specificații Română

Table with 2 columns: Model and Specificații. Rows include Port RJ45, Lățimea de bandă, Modul de conexiune, Dimensiuni, PoE standard, Protecție împotriva descărcărilor electrice, Mediul de operare, Mediul de depozitare, Mediul de transmisie, and Ratele de transmisie.

Özellikler Türkçe

Table with 2 columns: Model and Özellikler. Rows include Ağ bağlantıları, Aktarılan bant genişliği, Anlatım modları, MAC adresi tablosu, Boyutları, PoE standartları, Yıldırım koruması, Çalışma ortamı, Saklama ortamı, Veri iletilme hızları, and Ağ standartları.

المواصفات العربية

Table with 2 columns: Model and المواصفات. Rows include Model, Port RJ45, عرض النطاق الترددي, وضع الاتصال, الأبعاد, حالة PoE, الحماية من البرق, بيئة التشغيل, بيئة التخزين, وسائط النقل, سرعة نقل البيانات, ومواصفات الشبكة.

FAQ

- 1. The Power LED indicator does not light up. What should I do?
2. After a device is connected to the port, the corresponding Link/Act LED indicator does not light up. What should I do?
3. After a powered device is connected to a PoE OUT port, the corresponding PoE LED indicator does not light up. What should I do?

CE Mark Warning

This is a Class A product. In a domestic environment, this product may cause radio interference, in which case the user may be required to take adequate measures. The main plug is used as disconnect device, the disconnect device shall remain readily operable.

FC Statement

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a residential area.
