C 0891A 165mm 6W 100V Surface Mount ABS Wall Speaker

C 0895A 165mm 6W 100V Surface Mount ABS Wall Speaker With Volume

C 0895A

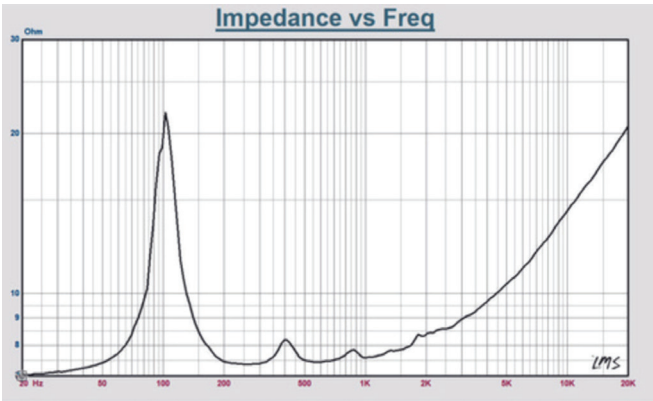

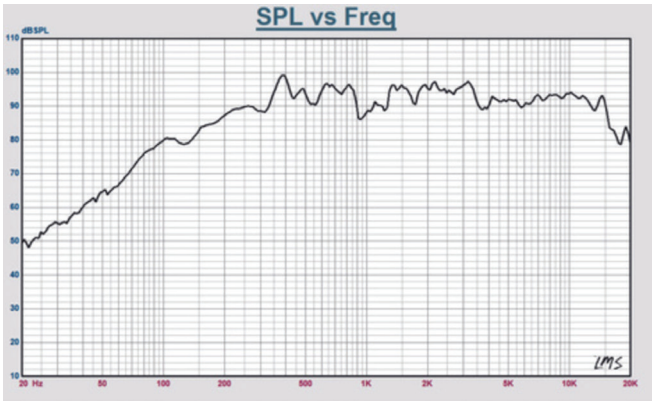

Includes wall mounting bracket.

Description

A slimline 6.5" twin cone loudspeaker constructed from high impact ABS with metal mesh grill. Redback have engineered this speaker from scratch for a stylish low profile finish that will look architecturally unobtrusive in any school classroom, factory or office space. The wall mount bracket includes a tamper-proof security screw to prevent theft. Both models are fitted with easy to connect euroblock style terminals and line monitoring capacitor. C 0895A is also fitted with volume control and override relay for evacuation systems.
